CLASSES are typically team taught by myself, my sons Blake and Devin who are both college students, my daughter Hartlynn, & a couple other hand selected workers. They will all be teaching the Kicks N Flips Learn to Swim program of course, have all swam through & graduated the KNF program, been trained to teach it and have experience doing so. Blake, Devin, & Hartlynn have been working with me, taught many classes by themselves, & have had many great reviews by parents and students!

COVID-19 NEWS: ● I realize many of you may still worry & wonder about how swim lessons will be possible during this time. I want to assure you that I have done my research on how to safely conduct the KNF Learn To Swim program this summer. Additionally, I have an extensive background in molecular cellular biology and genetics and worked in a pharmacology lab where I was a research technician and was responsible for running the lab without contamination. I have instilled many safety procedures to help prevent the spread of the COVID-19 virus, additional to the chlorine's ability to kill it, which is what happens in the pool. There is no evidence that this virus lives or spreads in the water AND, just to reiterate, the chlorine will kill it. Instructors may be teaching with masks on and possibly non-latex gloves as well. This is just a precaution and to make people feel better. There will be hand sanitization stations and disinfectant spray located throughout the pool & seating environment. There will be 6' distance markers around the pool deck. Lastly, kids may be practicing in a more organized fashion so they will be less likely to swim into each other in the pool. Payment via Cash App eliminates all possibility of contamination, but cash & check will still be accepted. These precautions will be implemented if needed, which I'm praying they aren't of course, or at least not all of them. We also want you to feel safe when bringing your family for swim lessons. We will do everything in our power to make you feel safe to do so.

WHY KNF? Lakes, rivers, pools, & water parks are opening up here in MN & surrounding states soon, thus making this a very dangerous time of the year. Unfortunately, drownings are the #1 cause of deaths in children up to 6 years old. It is heartbreaking to turn on the tv, computer, phone, etc because it's always the first thing covered by the news, shared by friends & family, & is plastered all over social media. Due to these spring and summer drownings, KNF is dedicated to educate and teach these life-saving swim skills to as many people as we can, as soon as we can, specifically targeting kids starting @ 6 months to 106 years old kids @ heart. At KNF Swim School, we believe in teaching people to swim as early, quickly, & correctly as possible, while having fun of course, so they can save themselves & be smart swimmers! Our Learn To Swim program was established in 1996 & has evolved into the top notch program it is today! We use innovative and unique methods that focus on excellent technique to produce accelerated, competent, & smart swimmers. Our goal is to get them safely swimming on their own in water over their head by the time they are 6-7 years old, but kids are often achieving that by 5 years old, many even sooner!

COMMUNITY CONNECTIONS & COOPERATION: KNF is also trying to establish & expand our community connections & outreach with local businesses & other groups in order to benefit everyone involved. If you are part of one of these groups or a local business who would like to work on teaming up together, please send an email to me. Some ideas could include: cross

Please let us know if you have any other questions (txt, email, or fb is the best)! Follow us on FB for the most up to date information and keep a look out for some exciting upcoming opportunities & events!
Stay safe and see you this summer!

Happy Swimming!
Kristin

6. I, for myself, my spouse, my child's/rens/ward/family member, and on behalf of my/our heirs, assigns, personal representatives and next of kin, understand the risk of illness to myself/my child/ward from the COVID-19 virus that may be present, despite Kicks N Flips, their owners, representatives, and their employees, disinfecting and having Safety Protocols in place. I understand there is a potential for permanent disability and death, and while particular rules, clean equipment, social distancing, and personal discipline may reduce this risk, the risk of serious illness does exist; I have read the COVID-19 Safety Protocols and agree to adhere to them.

I HAVE READ THIS RELEASE OF LIABILITY AND ASSUMPTION OF RISK AGREEMENT, FULLY UNDERSTAND ITS TERMS, UNDERSTAND THAT I HAVE GIVEN UP SUBSTANTIAL RIGHTS BY SIGNING IT, AND SIGN IT FREELY AND VOLUNTARILY WITHOUT ANY INDUCEMENT.
